

St. Raphael St. Vincent de Paul Society Needs Your Help

Our St. Raphael SVdP Conference provides support to those in need in our community through our daily grocery distribution and support for those experiencing a hardship paying their rent, utility bills, medical bills or other financial hardship. With the coronavirus, the need to support our neighbors who have become ill or lost a job has never been greater.

We urgently need contributions of groceries to maintain our food pantry. Non-perishable groceries can be dropped off at the rectory from 10:30-11:30 a.m, Monday-Friday. Cereal, pasta, rice, dry beans, hearty soups, tuna and canned meats (chili) and vegetables are urgently needed.

Your financial contributions allow us to support those experiencing a personal crisis which has impacted their ability to pay their bills and in the most urgent cases, remain housed. Our "Fifth Sunday" SVdP collection was scheduled for March 28-29. If you are able, please consider mailing a contribution to SVdP to the parish office so that we can help those in need.

Thank you for your support!
